

Lutte de classe

Liste des premières 440 pages lues ou documents téléchargés entre le 17 et le 23 mai

En dessous du nom de la page ou du fichier figure le nombre de fois où elle a été ouverte ou il a été téléchargé. J'ai retiré les données ne concernant que les images ou les fichiers en java script qui nous sont d'aucune utilité, d'où la différence entre le numérotage qui va de 1 à 500, alors que ne figurent ici qu'environ 440 pages ou fichiers. Les statistiques s'arrêtent à 500 par semaine pour

Je n'ai pas réussi à récupérer autrement ces données, et je n'ai pas le temps de les insérer dans un nouveau tableau, il faudrait y passer des heures !

Ainsi vous pourrez mieux mesurer l'intérêt du site pour les militants.
